## COUPLES LEAGUE

**Friday Evenings at 5:45.**

**May 2<sup>nd</sup> / May 16<sup>th</sup> / May 30<sup>th</sup> / June 13<sup>th</sup> / June 27<sup>th</sup> / July 11<sup>th</sup> / Aug. 1<sup>st</sup> / Aug. 15<sup>th</sup>**

**FORMAT:** Three different fun formats with your spouse or significant other: Love Golf (scramble), Jack N Jill(modified alternate shot), and Divorce Golf(True Alternate Shot). We will take the first 36 Couples to sign up for each event. I will mass email the couples every Monday of a Friday event. The sign up for that individual week begins then, immediately after you receive that email.

**SCORING:** The total number of couples is divided into 3 separate flights based on total score or their handicap. They compete each event within their flights to score points. You accumulate points every week you play. You will be given a Handicap by the manager on half the nights, the other have is strait up, no handicaps. Success and ultimately cashing out in this league comes down to two things: how often you show up and how lucky are you in the flighting process....ALWAYS Do your best and see where you fall.

**PRIZES:** \$10 from every couple will be set aside for a Cash Payouts for the top 8 couples at the end of 2024. It's not much but sure makes it fun till the end!

**HOW TO SIGN UP:** Via email on Monday mornings of a playing week.

**SNACKS:** Snacks and Food will be provided after the night's league play.

**ENTRY FEE:** There is a one time fee per couple of \$20.

## 2025 Guidelines

-In all fairness to the more than 78 different Couples that participated in 2024, here are a few guidelines.....

START TIME IS NOW 5:45.

NO SUBSTITUTES COUPLES – Your Team can either make it or not, to each event. YOU MAY have a substitute player in your COUPLE, but not a substitute COUPLE for both players on a team. Any new couples each week will owe \$20 one-time due to the league, along with any applicable green and cart fees.

NO NON-COUPLE TEAMS – A non-couple person may sub a week they are needed, but a non-couple team may not compete every week and potentially take up a spot from other local couples. (brother-sister ; platonic friends ; mother-son)
