

2018 STEEPLVIEW SENIORS

NEW FOR 2018 - SENIOR MEN PLAY ON WEDNESDAY MORNINGS!

FOR ALL GOLFERS AGE 50 and over!

The 2018 Senior Men's League begins play April 4th

We will have 2 divisions that will include individuals playing their own ball for a 9-hole NET score division as well as a 9-hole GROSS score division. Leagues will play during a period of 22 weeks beginning April 4th and ending August 22nd. Play begins each Wednesday with a **SHOTGUN START**. Participants will compete using their most recent Steepleview handicap and any players without a current handicap will be assigned one while a new handicap is being established.

The first Wednesday of May, June, July, and August will be a 10a.m. scramble with lunch.

We will shotgun start every week instead of tee times this year. Also remember, for every new senior you bring to the league, you receive 50% off the entry fee. Bring 2 new seniors and your entry fee is paid for the year!

Each week, the individual with the lowest scores in each division, as well as the flag prize winners, will split the club house cash available from the prize fund. Participants will also accumulate points each week by competing against one another within each divisions. At the end of the season, the 5 players with the most accumulated points from each of the two divisions will split the remaining seasonal prize fund. All club house cash payouts will be given out following the league finale August 29th.

The one-time seasonal entry fee remains \$20 per man and should be paid upon your first week of play. To sign-up for the 2018 senior men's league, please call the golf shop at 923-1914.
