

2018 Steepleview Ladies League

Starts Wednesday, May 16th / 6 pm shotgun start

NEW FOR 2018 – Ladies League is now on WEDNESDAY EVENINGS!

The Wednesday evening ladies league is an excellent opportunity for women to relax and enjoy themselves in an organized, social atmosphere. To help the league be competitive regardless of ability, all play is handicapped (players without a handicap will be assigned one while a new handicap is being established). This is a great league for Brand New players and skilled players alike, TEAM GOLF!

FORMAT – 2 Lady Scramble. Both players will hit, choose the best shot (other player picks her ball up), both players will hit there for their 2nd shot, etc...until the ball is holed.

HANDICAP – Each 2 lady team will start with a handicap. That handicap determines the number of shots and where the shots are located on the scorecard, for each week's matchup. Subtract your handicap number from your actual score to get your Net Score for the night.

Scores in the 20s-30 = **-2** off your current handicap for the next week's handicap.

31-34 = **-1.5** - 35-37 = **-.5** - 38-40 = **no change** - 41-43 = **+1.5** - 44 **↑** = **+2**

SCORING - There will be 10 points available every week for each team. You will play net Match play (hole by hole) for 9 points against the team you are paired against for a point a hole. You will play Net stroke play (Your scramble score minus your handicap) against the team you are paired against for the last point. All ties are half a point per team. We will review how to keep score before the first night's play.

Accumulative points will be kept with the top 6 teams collecting clubhouse and real cash!

COST – There is a one time fee of \$25/player. All other green and cart fees apply.
